

TOWN OF BLUEMOUNDS
ORDINANCE 5
Building and Mechanical Code

1-1-01 Authority

These regulations are adopted under the statutory authority granted pursuant to Section 101.65, 101.76, and 101.761 of the Wisconsin Statutes.

1-1-02 Purpose

The purpose of this Code is to promote the health, safety, and general welfare of our community, to protect property values and provide for orderly, appropriate development and growth of the community.

1-1-03 Definitions

As used in this Chapter, the following terms have the meaning prescribed herein: (Any item not defined herein shall follow the Wisconsin Administrative Code definitions.)

- 1) **Building.** Any structure erected or constructed of wood, metal, stone, plastic or other materials, which is intended to be used by human beings or animals for occupancy, livery, commerce, education, cultural activities or other purpose. The term does not include children's play structures, agricultural barns, agricultural sheds or agricultural accessory buildings.
- 2) **Building Inspector.** The individual(s) or firm appointed by the Municipality to exercise all of the powers and duties of a building inspector under Wisconsin law.
- 3) **Construction.** Any part or portion of the activity of installing, locating, siting, erecting or raising a building.
- 4) **Contractor.** Any person, firm or entity which undertakes any activity related to the construction of a building other than the mere provision of supplies, materials.
- 5) **Electrical.** The trade which relates to the design, installation, maintenance and repair of the mechanical equipment, wiring, fixtures and connections which tie a structure to the power grid of an electric generating utility and distribute the electricity through a structure to end uses, including any work which may be performed by a master electrician licensed by the State of Wisconsin or a person under the supervision of such an electrician.

- 6) HVAC. An acronym which stands for Heating, Ventilating and Air Conditioning; the trade which installs mechanical equipment, systems and accessory ducting and gratings for the purpose of warming, purifying, cooling and exchanging air in a building.
- 7) Occupancy. The act of utilizing a building for human habitation, use, or occupancy. Any use of a building for any activity which is customarily or routinely associated with utilization of a building as a residence, detached residential accessory structure, or commercial use shall constitute occupancy.
- 8) Owner. The individual, firm or entity which has record title to the real estate on which construction is taking place.
- 9) Plumbing. The trade which relates to the design, installation and maintenance or repair of pipes, drains, sinks, basins, hot water heating systems, natural gas pipes, grease traps, floor drains, and all other work for which the individual performing the work may either be a master plumber licensed by the State of Wisconsin or work under the supervision of such a plumber.
- 10) Repairs. Repairs for purposes of maintenance or replacements in any existing building or structure which do not involve the structural portions of the building or structure or which do not affect room arrangement, light and ventilation, access to or efficiency of any exit stairways or exits, fire protection or exterior aesthetic appearance and which do not increase a given occupancy and use, shall be deemed minor repairs.
- 11) Stop work order. A directive issued with respect to a construction project by a building inspector which compels the owner and any contractor or builder of a building to cease any further work or activity on the construction project until the building inspector has authorized the resumption of the construction project.

1-1-04 Scope

This Code applies to all 1 & 2 family dwellings, decks, commercial buildings/structures and swimming pools. Notwithstanding this section, this ordinance shall not apply to residential accessory buildings, children's play structures and agricultural buildings.

1-1-05 Permit Required: No owner or contractor may commence construction of any building or mechanical system prior to obtaining a valid permit from the municipal building inspector.

- 1) The construction which shall require a building permit includes, but is not limited to:
 - a) New 1 & 2 family buildings, decks, Commercial buildings/structures
 - b) Additions that increase the physical dimensions of a building including decks in excess of \$1,000.00 value in any twelve month period.
 - c) Alterations to the building structure in excess of \$1,000.00 value in any twelve month period, cost shall include market labor value, or alterations to the building's heating, electrical or plumbing systems.
 - d) Replacement of major building equipment including furnaces, and central air conditioners, water heaters and any other major piece of equipment shall require a permit except as noted in 3)b) below.
 - e) Any electrical wiring for new construction or remodeling.
 - f) Any HVAC for new construction or remodeling.
 - g) Any plumbing for new construction or remodeling.
 - h) Any new or re-wired electrical service, including services for agricultural buildings.

- 3) The following construction activities shall not require a building permit:
 - a) Agricultural buildings (Except as noted in 2 h) above.)
 - b) 1 & 2 family accessory structures.
 - c) Re-siding, re-roofing and finishing of interior surfaces, installation of cabinetry, and repairs which are deemed minor by the Building Inspector. Notwithstanding this section, however, a permit accompanied by structural load-bearing calculations shall be required for re-roofing a building if the proposed re-roofing would constitute a third or more layer of roofing.
 - d) Normal repairs of HVAC, plumbing and electrical equipment or systems such as replacing switches, receptacles, dimmers and fixtures.

1-1-06 Adoption of State Codes

- 1) The following Chapters of the Wisconsin Administrative Codes, as well as all subsequent revisions, are adopted by the Municipality and shall be enforced by the Building Inspector.

Ch. COMM 2.31	Plan Review Fee Schedule
Ch. COMM 5	Credentials
Chs. COMM 16	Electrical Code
Chs. COMM 20-25	Uniform Dwelling Code
Chs. COMM 60-66	Commercial Building Code
Ch. COMM 70	Historic Building Code
Chs. COMM 81-87	Uniform Plumbing Code

1-1-07 Scope of Uniform Dwelling Code Expanded.

For the purposes of this Ordinance, the standards contained in the Wisconsin Uniform Dwelling Code shall be expanded to apply as the standards for construction of the following:

- 1) Additions, alterations and major equipment replacements for one and two family dwellings built prior to June 1, 1980.

1-1-08 Certified Municipality Status

- 1) **Certified Municipality.** The Town has adopted the Certified Municipality Status as described in COMM 61.60 of the Wisconsin Administrative Code.
 - a) **Responsibilities.** The Town shall assume the following responsibilities for the Department of Commerce (Department):
 1. Provide inspection of commercial buildings with certified commercial building inspectors.
 2. Provide plan examination of commercial buildings with certified commercial building inspectors.
 - b) **Plan Examination.** Drawings, specifications and calculations for all the types of buildings and structures, except state-owned buildings and structures, to be constructed within the limits of the municipality shall be submitted, if the plans are for any of the following:
 1. A new building or structure containing less than 50,000 cubic feet of total volume.
 2. An addition to a building or structure where the area of the addition results in the entire building or structure containing less than 50,000 cubic feet of total volume.
 3. An addition containing no more than 2,500 square feet of total floor area and no more than one floor level, provided the largest roof span does not exceed 18 feet and the exterior wall height does not exceed 12 feet.
 4. An alteration of a space involving less than 100,000 cubic feet of total volume.
 5. A certified municipality may waive its jurisdiction for the plan review of a specific project or types of projects, or components thereof, in which case plans and specifications shall be submitted to the Department for review and approval.
 6. The department may waive its jurisdiction for the plan review of a specific project, where agreed to by a certified municipality, in which case plans and specifications shall be submitted to the certified municipality for review and approval.
 - c) **Plan Submission Procedures.** All commercial buildings, structures and alterations require plan submission as follows:
 1. Building permit application
 2. Application for review – SBD-118
 - a. Fees per Table 2.31-2 and COMM 2.31
 - b. Fees apply to all commercial projects
 3. 4 sets of plans
 - a. Signed and sealed per COMM 61.31
 - b. (1) set of specifications
 - c. Component and system plans
 - d. Calculations showing code compliance

1-1-09 Building-HVAC-Electrical-Plumbing Inspector

- 1) Creation and Appointment. There is hereby created the office of Building Inspector. The Building Inspector shall be appointed by the municipality. The Building Inspector shall be certified for inspection purposes by the Department in the required categories specified under COMM 5, Wisconsin Adm. Code.
- 2) Assistants. The Building Inspector may employ, assign or appoint, as necessary, assistant inspectors. Any assistant hired to inspect buildings shall be certified as defined in COMM 5, Wisconsin Adm. Code, by the Department.
- 3) Duties. The Building Inspector shall administer and enforce all provisions of this ordinance.
- 4) Powers. The Building Inspector or an authorized certified agent of the Building Inspector may, at all reasonable hours, enter upon any public or private premises for inspection purposes. The Building Inspector may require the production of the permit for any building, plumbing, electrical or heating work. No person shall interfere with or refuse to permit access to any such premises to the Inspector or his/her agent while in the performance of his/her duties. In the event that the inspector is refused access to any such premises, then the Inspector is authorized to apply for a special inspection warrant pursuant to Section 66.0119, Stats.
- 5) Inspections. In order to permit inspection of a building project at all necessary phases without causing delay for the owner, the owner and/or contractor shall request all of the following inspections in conformity with the appropriate time frame defined in the Wisconsin Administrative Code or at least 48 hours in advance by the applicant/contractor or property owner as applicable.
 - a) Footing
 - b) Foundation
 - c) Rough Carpentry, HVAC, Electric and Plumbing
 - d) DRAINTILE/BASEMENT FLOOR
 - e) Underfloor Plumbing
 - f) Electric Service
 - g) Insulation
 - h) Final Carpentry, HVAC, Electric & Plumbing
 - i) Erosion Control (performed by Dane County)
- 6) Failure to request any inspection will be the responsibility of the contractor and/or property owner. No Construction shall be deemed approved by default or lack of inspection by the Building Inspector.
- 7) The expense of uncovering or exposing any work which must be inspected, where such work was required by the failure of the owner to request any inspection, will be the responsibility of the contractor and/or property owner.
- 8) Records. The Building Inspector shall perform all administrative tasks required by the

Department under all codes covered in 1-1-06. In addition, the Inspector shall keep a record of all applications for permits and shall number each permit in the order of its issuance.

1-1-10 Submission of Plans

The owner or contractor shall, with respect to any proposed construction, submit two sets of building plans to the Inspector for any work which expands the size of a building, any new building or as required by the Inspector. If a new building or building addition is proposed, then a plot plan drawn to scale showing such proposed work and existing buildings and property lines shall be submitted. A third set of plans may be requested at the discretion of the Building Inspector for the Assessor. The Building Inspector may require the owner or contractor to submit plans for any construction project when the Building Inspector determines that it is necessary to review such plans to assure that the proposed project will comply with all applicable codes.

1-1-11 Issuance of Permit

- 1) The Inspector shall issue the requested permit if the owner or contractor demonstrates that all state, county and local submission requirements are satisfied. If a permit card is issued, it shall be posted at the job site in a visible location from the street. Permits are valid for two years. Permit may be extended for 30, 90, or up to 180 days with the Building Inspector's approval and payment of permit fees.
- 2) By accepting a permit, the applicant, owner or contractor grants the Building Inspector the right of access to the real estate on which the permitted construction will occur.
- 3) Permits are issued conditionally on the condition that the owner and/or contractor(s) shall conform to the requirements of all applicable codes, zoning ordinances and setback requirements in constructing the building.
- 4) No building, plumbing, electrical or HVAC permit shall be issued to any person who is in violation of this ordinance until such violation has been corrected.
- 5) No building, plumbing, electrical or HVAC permit shall be issued to any person to whom an order has been issued by the Building Inspector.
- 6) It shall be the responsibility of the installer or contractor to determine if a permit is required and to obtain the same prior to commencing work.

1-1-12 Completion Deposit Required

A deposit of \$400.00 is required for all projects whose total cost, including labor, materials and supplies, will equal or exceed \$50,000.00. The deposit shall be refunded after the project is completed and the Building Inspector has found that the building complies with all applicable codes. The deposit shall be forfeited if occupancy occurs before final inspection and the issuance of an occupancy permit, or extends after a temporary occupancy permit expires. It shall also be forfeited if the exterior is not finished within 2 years of the date the permit is issued.

1-1-13 Occupancy Permit

If the Building Inspector, after completing all required inspections, finds that a building has been constructed in accordance with the applicable codes, then the Inspector shall issue an occupancy permit. If the building fails to comply with the code in minor respects which do not threaten the safety, health or welfare of the building's occupants, the Building Inspector may issue a temporary occupancy permit for 30 days or a specified term. No person may have occupancy of a building until an occupancy permit is issued.

1-1-14 Unsafe Buildings

Whenever the Building Inspector determines that any building or structure is so old, dilapidated or has become so out of repair as to be dangerous, unsafe, insanitary or otherwise unfit for human habitation, occupancy or use, and so that it would be unreasonable to repair the same, the inspector shall recommend to the Town Board an order be sent to the owner to raze and remove all or part thereof, or if such structure can be made safe and sanitary by repairs, is at the owner's option. Such orders and proceedings shall be as provided in Section 66.0413, Wis. Stats.

1-1-15 Fees

At the time of building permit application issuance, the applicant shall pay fees as established periodically by the Municipality by resolution and includes the State Seal fee of \$25.00 paid to the Wisconsin Department of Commerce for a UDC permit seal assigned to any new home being built. If work commences prior to permit issuance, the permit fee shall double.

1-1-16 Violations and Penalties

- 1) Prohibition. No person, entity, or firm may construct, remodel, demolish or repair any building in a manner which violates any provision or provisions of this ordinance.
- 2) Every person, firm or entity which violates this code shall, upon conviction, forfeit not less than \$25.00 nor more than \$1,000.00 for each day of non-compliance, together with the costs of prosecution.
- 3) Violations discovered by the Building Inspector shall be corrected within 30 days, or more if allowed by the Inspector, after written notice is given. Violations involving life safety issues shall be corrected in a reasonable time frame established by the Building Inspector.
- 4) Compliance with the requirements of this ordinance is necessary to promote the safety, health and well-being of the community and the owners, occupants and frequenters of buildings. Therefore, violations of this ordinance shall constitute a public nuisance that may be enjoined in a civil action.

1-1-17 Stop Work Order

The Building Inspector may issue a stop work order for a project to prevent further non-complying work. No person, firm or entity may continue a construction project after a stop work order has been issued. The person, firm or entity that receives such a stop work order may contest the validity of the same by requesting a hearing before the municipality. The municipality shall hear

the appeal within seven days. The municipality shall affirm the stop work order unless the owner or contractor shows that the Building Inspector erred in determining that the construction project violated a provision or provisions of the State building codes.

1-1-18 Variance

The Town Board shall hear requests for variances from the building code to the extent the Town Board has authority to hear and grant variances. The Town Board shall approve, conditionally approve, or deny a requested variance. The municipality may grant a variance from a code requirement only if the variance is permitted by state law and if the performance of the proposed variance is equal to or greater than the code requires.

1-1-19 Appeals.

Any person feeling aggrieved by an order of the Building Inspector may, within 20 days thereafter, appeal from such order to the Town Board. The municipality will follow procedures explained on Wisconsin Statutes Chapter 68, to arrive at a final determination. Final determinations may be reviewed as explained in Wisconsin Administrative Rules COMM 20.21.

1-1-20 Disclaimer and Non-Liability for Damages.

This ordinance shall not be construed as an assumption of liability by the municipality or the Building Inspector for damages because of injuries sustained or property destroyed by any defect in any dwelling or equipment.

1-1-21 Severability

If any section or portion thereof shall be declared by a court of competent jurisdiction to be invalid, unlawful or unenforceable, such decision shall apply only to the specific section or portion thereof directly specified in the decision, and shall not affect the validity of any other provisions, sections or portions thereof of the ordinance. The remainder of the ordinance shall remain in full force and effect. Any other ordinances whose terms are in conflict with the provisions of this ordinance are hereby repealed as to those terms that conflict.

Adopted on this 11 day of February, 2008, by Town Board, Town of Blue Mounds.
